Content Kitty

You are a shy cat who likes to curl up in a quiet spot and be independent. You are very peaceful and you are never one to make a fuss!

You are an affectionate kitty who enjoys a nap in the sun but can be very vocal and friendly when you feel like it!

There's no time for sleep or grooming, all you want to do is play, play, play! You cause chaos with your high energy levels!

You don't play much but you enjoy attention, and you like to look your best. You are an elegant and laid back cat.

Cat Council

Coco has called the Cat Council together for a meeting. Help them solve these issues by matching the problem to the solution.

PROBLEM

Coco is feeling left out as Ruby is getting all the attention.

Ruby has gone missing! How can the cats find her quickly?

Ruby wants to play, but Coco doesn't feel like it.

Coco doesn't like getting splashed at the duck pond when Ruby is playing there.

Ruby is eating Coco's food.

SOLUTION

Coco should be patient with Ruby and help her to learn. Sometimes it's nice to share.

Coco could stay away from the water's edge while Ruby is playing.

Coco and Ruby's owner should give both cats equal love and attention.

It's fun to play, but it can be tiring. Ruby and Coco could take turns choosing what to do.

They should split up and search separately, to cover a greater area.
